

The Courier  
**N.I.E.**  
 Newspaper In Education

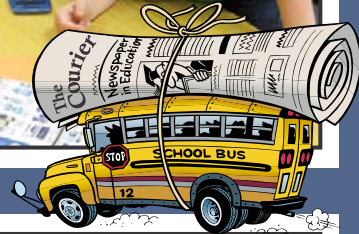

Interested in sponsoring newspapers for area classrooms or getting The Courier or eCourier for your K-12 classroom?  
 Call Rachel Lopez at 419-427-8062

"We love using The eCourier in Mrs. Ohrich's 4th and 5th grade VANTAGE Reading Class at Van Buren Elementary when researching, studying non-fiction, or learning how to read informational text. We sometimes have a scavenger hunt for root words. Currently, we have been looking at advertisements to see the different propaganda techniques that are used because we are writing our own advertisements for water that will make you live forever."

"In math class, we used the grocery fliers to find out how much a Thanksgiving dinner for 16 people would cost. We were amazed that most families could eat for less than \$100 if they shopped wisely."

Thanks!
